

Output 1:taking admission

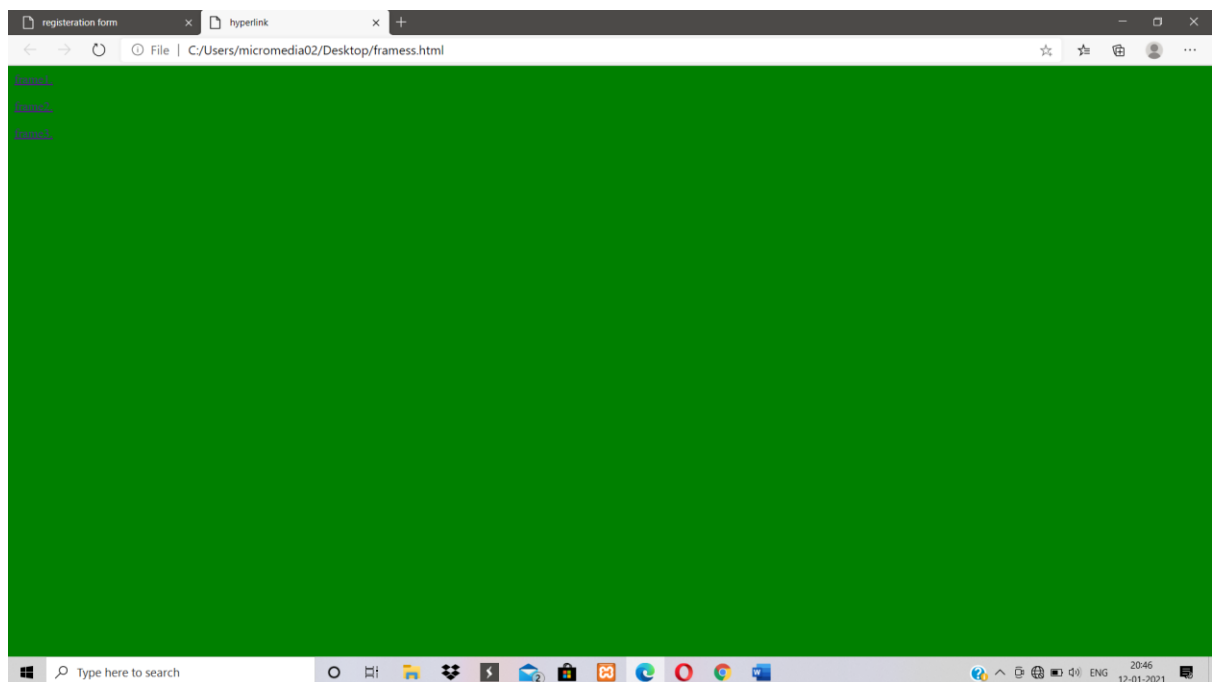

The screenshot shows a web browser window with a single tab titled "registration form". The address bar displays the file path "C:/Users/micromedia02/Desktop/student%20registration.html". The main content area has a solid red background. On the left side, there is a white rectangular box containing the "student registration form". The form includes the following fields and controls:

- name: text input field
- father name: text input field
- address: text input field
- gender: radio button group with options "male", "female", and "other"
- city: text input field
- pincode: text input field
- dob: text input field
- emailid: text input field
- password: text input field
- mobile number: text input field
- submit: button

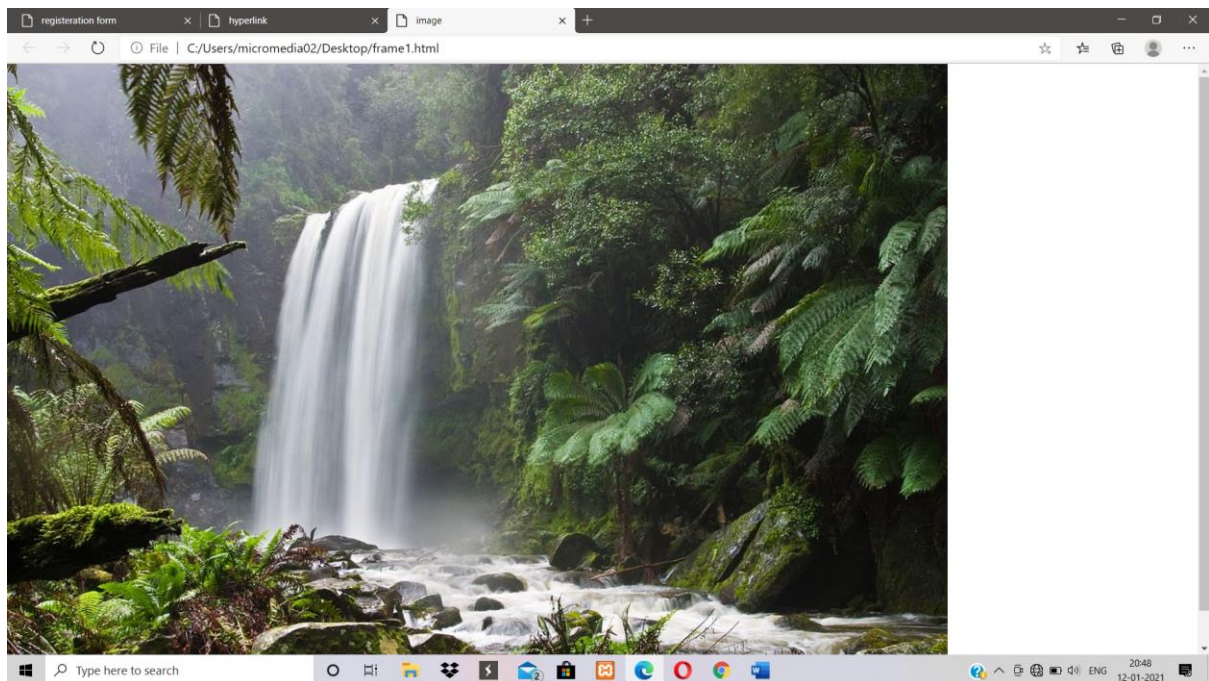

The Windows taskbar is visible at the bottom, showing the search bar and various application icons. The system clock indicates the time is 20:45 on 12-01-2021.
